A READY PLATFORM TO THE  
**AGNIVEERS**  
FOR THEIR RE-SETTLEMENT.

## ALWAYS COMMITTED TOWARDS THE NATION.

Even a millions 'Thank You' won't be sufficient towards our soldiers sacrifice for our comfort. Be it staying away from their family for months, spending hundreds of sleepless nights so that we can have a sound sleep, surviving the extreme weather conditions and even sacrificing their own lives, the defence personnel shine as our real heroes.

Govt of India has introduced Agnipath Scheme under which the tenure of service will be only of 4 years for all the soldiers. Post 4 years only 25% of the agniveers will be retained and 75% will be jobless. There will be no pension to them. Even though Govt will support in getting jobs to these Agniveers, it is not guaranteed that every Agniveer will get the same.

For all the contributions made by our defence personnel to India, it is our moral duty to give them something in return.

We, Ex-Servicemen Welfare (ESW) Advantage Forum are creating a ready-made platform for resettlement of those Agniveers. With the help of Govt schemes, public support and our own contribution we are setting up a Milk & Milk products plant along with Retail stores and milk distribution network in Maharashtra where our Agniveers will be given employment. We aim to generate more than 10,000 job opportunities for them in next 3 years of time period.

We hope that you will also give a hand and make some contribution towards this Nobel cause, Which will save Income tax also!

## An Opportunity to serve our Real Heros...
